A PROGRAM of the CANCER
SUPPORT COMMUNITY 

Worried about balancing all your concerns with cancer?

Cancer Support Source™ is a service to help you address your cancer related needs such as finances, diet, complementary care and more. Available at **no cost**, this service will provide you with a Personal Care Plan to help take control of your life after a cancer diagnosis. There are just three easy steps:

- **Complete a short confidential online survey either at home or at Cancer Support Community Arizona**
- **Meet with a member of our Program Team to help design a program based on your results**
- **Start using your Personal Care Plan for support.**

To get started, contact:

**Cancer Support Community Arizona (602) 712-1006
or email info@cscaz.org**
