

Cooking Instructor

REPORTS TO: Associate Program Director

STATUS: Contract Position

SUMMARY: Cancer Support Community Arizona is searching for a contractor to conduct cooking demonstrations on an as needed basis. This individual should have the ability to tailor recipes to a specialized population that is impacted by cancer, and have nutritional knowledge to lead discussion around these topics. Current needs include: subbing availability. This individual will be added to our list of contractors to fill in at classes on an as needed basis.

REQUIREMENTS

- Experience conducting food demonstrations for specialized populations
- Knowledge of nutrition value and how food impacts wellness

PREFERRED SKILLS

- Background experience and knowledge of nutrition for cancer patients

POSITION DESCRIPTION

- Prepares and facilitates interactive cooking demonstration for individuals and caregivers impacted by cancer
- Adheres to CSCAZ program models
- Ensures activities are culturally competent and in adherence of program model philosophy
- Encourages participants to try other programs at CSCAZ through cross-program promotion
- Attends quarterly class instructor meetings

Non-Clinical Program Support

- May open and close program related events, including set up, greeting, and take down
- Tracks attendance and submits related documentation

General Duties

- Upholds CSCAZ philosophy, values and guidelines accordingly.
- Promotes and upholds CSCAZ's mission, serving as an ambassador to the organization.
- Provides prompt, courteous, and professional internal and external customer service skills, including responding to internal and external communications promptly and attentively.

Apply by emailing resume and cover letter to jobs@cscaz.org

This document is a general overview of the requirements and responsibilities associated with the position titled above, and is in no way considered a written or implied contract. Management reserves the right to revise any part of this description as it deems necessary.
