## Gynecologic Cancer Survivor's Celebration

Join us to celebrate all women with a gynecologic cancer diagnosis. This multi-faceted event will be sure to educate, encourage and inspire you.

Highlights of the day include:

- Living Room Chat Support Session with Dana Chase, MD, FACOG and Lyndsay Willmott, MD
- Mindfulness for Survivorship with Linda Larkey, PhD, CRTT
- Lunch and Networking with other survivors

Family and friends welcome to attend.

Held in partnership with Ovarian Cancer Alliance of Arizona.

**Our Program Serves** cancer survivors at any stage, and family, friends and caregivers.

**Our Program is Always** based on empirical and clinical research, led by professionals, offered in a home-like environment, and at no cost to participants.
